

**Subject: Helping Your Student Plan for the Future – Join Us for a Special Workshop**

Dear [Student's/Parent's Name],

We know that thinking about the future—choosing the right classes, getting involved in activities, and planning for college or a career—can feel overwhelming. That's why we're excited to invite your student to the **Path to Possibilities Workshop**, an interactive session designed to make this process more engaging, clear, and even fun.

**Date:** [Insert Date]

**Location:** [Insert Venue]

**Time:** [Insert Time]

During this workshop, students will have the chance to:

- Reflect on their interests and how they connect to potential career paths
- Explore different types of colleges and what might be a good fit for them
- Create a **personalized Future Map** to guide their high school journey
- Learn how to make strategic choices about classes and extracurriculars
- Engage in activities that make planning feel exciting rather than stressful

This is not a lecture—It's a highly interactive experience that helps students gain confidence, stay motivated, and take meaningful steps toward their future. Students will leave with real tools that will keep them on track to help them move forward, plus some fun takeaways to keep them inspired along the way.

We'd love to see your student there.
